

Certificate of Participation in the National Motor Freight

This is to certify that

Associated Transportation Systems Inc.

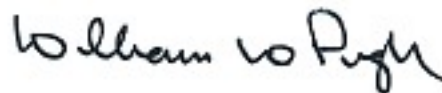

Covina, California

MC # 197161

is a bona fide broker participant in the National Motor Freight Classification, NMF 100 Series, through June 30, 2008. Certification is limited, on interstate and foreign commerce, to provisions of the National Motor Freight Classification applying on the articles and commodities for which the broker is authorized to arrange transportation.

This certificate must be made available for public inspection.

National Motor Freight Traffic Association, Inc.

William W. Pugh

Issuing Officer

National Motor Freight Classification
